UC DAVIS Humanities Institute on “Reimagining Indian Ocean Worlds”

UC DAVIS Humanities Institute hosts the “Reimagining Indian Ocean Worlds” Mellon Research Initiative which brings together faculty and graduate students from across various disciplines. The initiative emerged from the Davis Humanities Institute Research Cluster on contemporary “Indian Ocean Imaginaries.” Research projects of graduate students associated with this cluster engage with several cities, oceanic ecologies, warscapes, asylums, waste markets, musicscapes, and other sites in this region.
